Hayward, California

GLADIOLUS BULBS 1 9 3 9 GLADIOLUS BULBS

All gladiolus bulbs offered are true to name, free from disease, and treated with Cynogas. We make it our policy to give satisfactory Service as well as Top-Quality Bulbs. We know that the two groups listed, are priced below average retail prices, and we feel that our Retail Customers should take advantage of these unusual bargains this year. Group 2, contains many of the finest and newest varieties, and the collection offered cannot be duplicated at such a saving anywhere in the United States. Calif. residents should include 5% retail tax.

WHERO, a very rich, dark red--good	3-	.35 .75	.25 .60	.20 .45

OUR OWN INTRODUCTIONS

NORTH WIND (1938) pure white, very ruffled, with wiry stem, and soft carmine feather in throat. Opens four or five florets at a time. Very iridescent, and three or four spikes in a vase is rather breath-taking. Bulbs \$3.00

BEAUTIFUL DREAM (1939) Immense spikes with 8 very large florets of the 18 to 20 buds open at a time. Color even-toned pure pink. Petals heavy and fluted. Grows 5 ft tall. Placement good. One of the most beautiful pinks we have ever grown, and have grown lots of them. Bulbs each, any size \$10.00

SWEET ALIBI (1939) Good commercial pink, with many open. 5 inch florets, petals heavily ruffled--slightly darker on edge, with decided midribs and small white throat. Placement good and straight sturdy stem. Bulbs each \$5.00
